## Household Hazardous Waste Collection Event

Skamania County Public Works is sponsoring a Small Quantity Generator Hazardous Waste collection event (**FRIDAY**) and a **FREE** Household Hazardous Waste collection event for residents. The collection event will be held at the **Stevenson Transfer Station in Stevenson on Saturday June 6<sup>th</sup> 2015.**

- The **FREE** Household Hazardous Waste collection event will operate from 10:00am to 2:00pm sharp.
- The Business Small Quantity Generator collection event will operate **FRIDAY** from 3:00 pm to 4:00 pm and is by appointment only. For further information, appointment time --or disposal pricing, please call Sheree Large with Clean Harbors Environmental Services at (503) 742-7109.

At these Small Quantity Generator and Household Hazardous Waste collection events, county businesses and residents will be able to drop off all hazardous wastes that are **NOT EXPLOSIVE, RADIOACTIVE, OR BIOLOGICAL.**

Examples of Household Hazardous Wastes that **WILL** be accepted include:

Paints, Solvents, Gasoline, Flammable Liquids, Poisons, Corrosives, Herbicides, Insecticides, Pool Chemicals, Aerosols, household cleaners, Batteries, Antifreeze and Oil.

If you have any questions about this event please call the Skamania County Solid Waste Division at 509-427-3926
