Skamania County

1. SR 14 - 0.8 to 1.1 Miles West of Wind River Rd. - Slope Stabilization

Highway: SR 14 Region: Southwest County: Skamania Location: Mileposts: 47.0 - 48.0

Contact: Mike Briggs, WSDOT, 360-759-1302

Description: Contractor crews working for WSDOT will be performing slope stabilization work along SR 14 near Wind River Road.

Work schedule:

Monday, Oct. 5 until further notice: Travelers on both directions of SR 14 near Wind River Road, will encounter intermittent, single-lane closures with flaggers, daily from 6:30 a.m. to 6:30 p.m., for slope stabilization work.

Note: Travelers should expect delays and plan their trips ahead of time.

2. SR 14 - Wind River Road - Intersection Improvements

Highway: SR 14 Region: Southwest County: Skamania Location: Mileposts 49.0

Contact: Mike Briggs, WSDOT, 360-759-1302

Description: Contactor Crews working for WSDOT will be paving sections of the roadway between the intersection of Wind River Road and SR 14. Crews will also be installing drainage features within the roundabout.

Work schedule:

Monday, Oct. 12 and Tuesday, Oct. 13: Travelers on both directions of SR 14 near the intersection of Wind River Road and SR 14 will alternate intermittently through a single-lane with flaggers daily from 7 a.m. to 5 p.m.

Beginning at 8 a.m. Wednesday, Oct. 14 and continuing through 5 p.m. Friday, Oct. 16: Travelers on both directions of SR 14 near the intersection of Wind River Road and SR 14 will alternate intermittently through a single-lane with flaggers, around-the-clock, for paving work.

Note: Travelers should use caution and reduce speeds through the works zone, and expect delays of up to 20 minutes.
